Happy Tails

Iggy

While mom is at work, Iggy keeps his grandma company!

We welcomed Iggy with a tree of hearts and love into our home.

Bernie (formerly Zip)

Celebrating his one-year adoptiversary!

Bernie is great! Love my best friend! Thank you so much for all you did.

Happy Tails

Sabrina checked in! She's doing well and is a very happy girl!

Mickey

We love Mickey!!! I can also tell that he loves us too. He is a delight! He's very affectionate, sweet, and has adjusted very well. He's even housebroken and has been enjoying regular walks.

We took him to our vet and he is in great health. His "reverse sneezing" is all gone.

Thank you for everything!
