## *In Loving Memory of Midge Merritt*

7/09-5/18

I lost a treasured friend today  
The little dog who used to lay  
Her gentle head upon my knee  
And share her silent thoughts with me...  
She'll come no longer to my call  
Retrieve no more her favorite ball  
A voice far greater than my own  
Has called her to His golden throne.  
Although my eyes are filled with tears  
I thank Him for the happy years  
He let her spend down here with me  
And for her love and loyalty  
When it is time for me to go  
And join her there, this much I know...  
I shall not fear the transient dark  
For she will greet me with her bark.

*Rest now sweet girl  
Mama and Papa love you forever  
See you again.....*

## *In Loving Memory of Bailey*

*I'm sorry to say, I had to put my best buddy down yesterday. Please know, Bailey was not suffering and we spent a good couple of hours together in the morning with Milk bones and his favorite "Charlie Bears", lots of belly rubs and kisses.*

*I had, had Bailey at the vet's overnight for 2 nights, hoping that he might get better, but he just did not respond and had lost the ability to walk.*

*Bailey continued to smile and wag his tail at me throughout.*

*I feel certain he was not in pain, but knew that it was time and I think he did too, it was very peaceful.*

*I could not be more grateful to have had this wonderful being in my life for the last 2 and half years, he comforted me every day when I walked through the door and always made me smile, he could be very stubborn and headstrong when he wanted his evening bone, which made me love him all the more and I'm sure all you will remember that with laughter. Please remember Bailey with that love and laughter that I know he will continue to evoke in all of us that loved him.*

*I want David to know, that I brought his "special Pig" with me to the vets yesterday and as I held Bailey, I had Pig in my other arm, I know Bailey knew that David was there in spirit as well.*

*Thank you again for the tremendous gift of Bailey, I know that I did my best to make these last couple of years happy, safe and peaceful for him and I think he was happy to the last.*

*Sincerely and with thanks, Laura*

### Queen

*Queen continues to do great. She and Merlin absolutely adore each other and are pretty much inseparable. It took her a bit to become comfortable and confident, but now she's sassy, outgoing, and affectionate. She really is such a special girl!*

*Thank you SO much for letting us adopt her. She is absolutely wonderful and we can't imagine our family without her.*
